Re: Tuk Base Remediation Project

Dear. Mr. Adhikari:

Please accept the enclosed submission as Imperial Oil Environmental & Property Solutions (Imperial) application for an Inuvialuit Water Board (IWB) Water License for the proposed Tuktoyaktuk Exploration Logistics Base Camp (Tuk Base) Remediation Project. Our submission includes the following:

- Completed and signed Schedule C with Attachments
- Completed Water Use Fee Calculator
- Cheque for water use fee (\$30)
- Cheque for Water License Application (\$30)
- Remediation Action Plan
- Waste Management Plan
- Spill Contingency Plan
- Erosion and Sediment Control Plan
- Permafrost Monitoring Plan
- Dock Repair and Removal Monitoring Plan (Aquatic Effects Monitoring Plan)

All documents and plans are provided as two hard copies and two electronic copies.

The Reclamation, Closure and Monitoring Plan will be completed within one week and will be submitted to the IWB separately prior to April 10. Two hard copies and two electronic copies will be provided. This approach was agreed upon during previous conversations due to time constraints.

Regards,

Tyler Horton, EIT  
Project Manager  
Imperial Oil
