Dear Mr. McLeod:

RE: N7L1-1835 – GNWT, DEPARTMENT OF INFRASTRUCTURE – INUVIK TO TUKTOYAKTUK HIGHWAY PROJECT – SNP RESULTS 2017

The Inuvialuit Water Board (IWB) acknowledges receipt of the Surveillance Network Program (SNP) results submitted on July 7, 2017, August 11, 2017, September 12, 2017 and November 6, 2017 for the 2017 sampling season. Upon review, it was noted that the results from the following SNP stations were not reported:

The SNP provides valuable water quality information to several parties and is a main component of all water licences. Please provide the reasons for not submitting the SNP results from the above stations during the 2017 sampling season.

Submitted documentation, including all related IWB correspondence will be placed on the IWB Public Register.

Should you have any questions or concerns regarding these matters, please contact the IWB Executive Director Mardy Semmler at 867-678-8609 or semmlerm@inuvwb.ca at your convenience.

Sincerely,

Roger Connelly
Chairperson
