Box 2531, Inuvik, NT XOE OTO

Dear Dr: Adhikari

Reference: N5L8-1840 Submittals and Notification of Project Activities

Environment and Climate Change Canada (ECCC) is providing notice per Part E, item 5, that activities associated with the Mould Bay Construction Project as authorized under N5L8-1840 will begin on or around June 3, 2019. Please find attached the following submissions as required per N5L8-1840:

1. Part D, Item 1. A Waste Management Plan for approval.
2. Part E, Item 6. Names, addresses and functions of contractors and subcontractors
3. Part E, Item 7. Number and field crew and number and type of construction equipment
4. Part E, Item 8. Project Schedule
5. Part H, Item 1. A Spill Contingency Plan for approval.
6. Camp Location Sketch

Additional plans as required by the licence (Pit Development Plan and Spill Contingency Plan) will be submitted by May 2, 2019.

If you have any questions or require further information, please feel free to contact me, or ECCC's technical consultant, Erica Bonhomme of Stantec Consulting Ltd., at erica.bonhomme@stantec.com 867-920-2882.

Sincerely

Deniz Baykal
