Dear Mr. Baykal:

Re: N5L8-1840 Environment and Climate Change Canada – Mould Bay Causeway Reconstruction Project, Prince Patrick Island, NWT

The Inuvialuit Water Board (IWB) acknowledges receipt of the following plans:

1. Spill Contingency Plan;
2. Waste Management Plan;
3. Erosion and Sediment Control Plan; and
4. Pit Development Plan.

The IWB is pleased to advise that all above mentioned plans have been approved. Copies of the plans and all related IWB correspondence will be placed on the Public Register.

Should you have any questions or concerns please contact Mardy Semmler, Executive Director, at 867-678-8609 or semmlerm@inuvwb.ca.

Sincerely,

for. Roger Connelly
Chairperson
