Dear Sir,

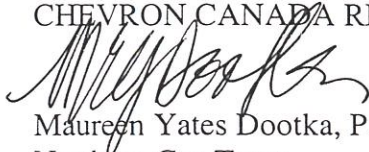

Re: Water License N7L1-1772
Ellice, Mallik & North Langley 3D Seismic Programs
Mackenzie Delta, Northwest Territories

Attached, for your files, is supplemental information on our water withdrawals for our 2001/2002 Ellice and Mallik seismic programs. The Annual Report detailing these withdrawals was originally sent to your predecessor and the NWT Water Board in May, 2002.

We trust that this information will conclude our reporting requirements under the subject license. Please contact Delona Butcher at 403-234-5393 or the undersigned at 403-234-5005 if any further information is required to close the file and return our security deposit (Letter of Credit) in the amount of \$100,000.00.

Yours truly,
