Subject: Taglu - Hazardous Waste Shipping

Hello Bijaya and Lloyd,

We are just getting the schedule together for the Taglu project and anticipate that the first loads of materials will be transported from the Taglu Site on Monday, March 9, 2020. **Please consider this as written notification as listed in Part D-18 of the N3L8-1844 water licence.**

Please let me know if you require any additional information.

Thanks,

Kristen
