Dear Ms. Jasra:

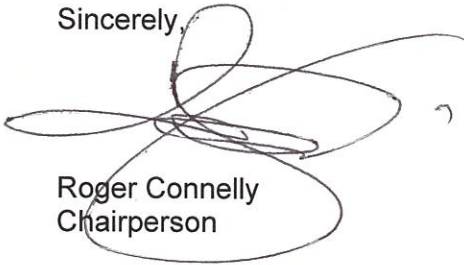

RE: N7L1-1836 – IMPERIAL OIL – BAR C / TUNUNUK POINT – TERM EXTENSION

The Inuvialuit Water Board (IWB) has approved an extension to the term of Water Licence N7L1-1836 until June 30, 2020. This will provide additional time for Imperial Oil to submit a renewal application for the completion of the remediation and monitoring project at Bar C / Tununuk Point. This renewal application should be provided to the IWB by March 31, 2020 and should include the following:

- Environmental Impact Screening Committee (EISC) Decision Letter for the renewal of the project for Phase II Monitoring; and
- A thirty-dollar (\$30.00) application fee payable to Government of the Northwest Territories (GNWT).

Should you have questions or concerns, please contact Mardy Semmler, Executive Director, at 867-678-8609 or semmlerm@inuvwb.ca.

Sincerely,

Roger Connelly
Chairperson
