Dear Mr. Rahman:

RE: N3L8-1842 – Government of Northwest Territories (GNWT) Department of Infrastructure (INF) – Freddy Carmichael Aklavik Airport Drainage Improvement Project - Aklavik, NWT - Water Licence Expiry Reminder

The Inuvialuit Water Board (IWB) would like to remind GNWT INF that Water Licence N3L8-1842 for the Freddy Carmichael Aklavik Airport Drainage Improvement Project is due to expire on April 30, 2021. If the project is to be continued beyond the expiry date and a water licence is required, the IWB recommend INF submit a water licence renewal application (Schedule C) with the following documents:

- Environmental Impact Screening Committee (EISC) Decision Letter for the renewal of the project; and
- Revised or updated Board approved plans (Spill Contingency Plan, Waste Management Plan, Erosion and Sediment Control Plan, and Closure and Reclamation Plan) including a summary of revisions or updates.

The IWB requires the receipt of a renewal application and supporting documents in advance of the licence expiry date as indicated in "General Procedure for the Administration of the Licences". Please submit two (2) hard copies and two (2) electronic (USB's) copies to the IWB office in Inuvik. Submitted documents, including all related IWB correspondence, will be placed on the IWB Public Register.
