Attention Mr. Pietro Debastiani – Senior Transportation Planner

RE: Use of Sewage and Solid Waste Dumping Facilities

Please be advised that the Town of Inuvik acknowledges that the Department of Transportation of the Government of the Northwest Territories may use the above mentioned facilities in conjunction with the Inuvik- Tuktoyaktok highway project. As part of this approval the Department or any contractor working on their behalf acknowledges that there will be a fee for use of these facilities and that they shall provide weekly reporting of the volume of sewage and solid waste brought in from this project.

We are required as part of our water license to account for these types of additional wastes entering our sewage lagoon and solid waste site respectively.

If you have any questions or concerns, please do not hesitate to contact me.
Thank-you in advance for your cooperation.

Yours sincerely;

Grant Hood, CMA
Senior Administrative Officer
