

June 12, 2017

Mayor Floyd Lennie
Hamlet of Sachs Harbour
P.O. Box 90
Sachs Harbour, NT X0E 0Z0

Dear Mayor Lennie:

Re: N7L3-1531 - Hamlet of Sachs Harbour, Municipal Water Licence Renewal Application

The Inuvialuit Water Board (IWB) acknowledges receipt of the Hamlet of Sachs Harbour's (Applicant) Water Licence renewal application submitted on June 7, 2017. The IWB has conducted an initial review for completeness of the application and supporting documents. As a result, the following additional information and management plans are required:

1. Questionnaire for Municipal Undertakings;
2. Spill Contingency Plan;
3. Sewage Waste Disposal Facilities Operation and Maintenance Plan;
4. Solid Waste Disposal Facilities Operation and Maintenance and Maintenance Plan;
5. Hazardous Waste Management Plan; and
6. A map or drawing indicating the location of all Surveillance Network Program (SNP) sampling stations, with associated global positioning system (GPS) locations (Note: Google Earth latitude and longitude should be utilized as the GPS points).

The Questionnaire for Municipal Undertakings and Operation and Maintenance Plan Templates as outlined above in items 2 to 5 were provided to the SAO during the IWB 2017 Workshop and provide clarity as to what is required in the Questionnaire and Operation and Maintenance Plans. Filling out these templates will ensure that all the information requirements for the municipal water licence Questionnaire and Operation and Maintenance Plans are met.

The IWB requests the Hamlet of Sachs Harbour submit the additional information, Questionnaire and Operation and Maintenance Plans as soon as possible in order for the IWB to proceed with the review and renewal of the application in a timely manner.

Should you have questions or concerns, please contact me at (867) 678-8610 or adhikarib@inuvwb.ca or Mardy Semmler, Executive Director, at (867) 678-8609 or semmlerm@inuvwb.ca.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bijaya Adhikari', written over a horizontal line.

Bijaya Adhikari, PhD
Science and Regulatory Coordinator
