Re: Water Monitoring Plan for License No. N7L1-1759

Dear Mr. Wray:

With reference to the NWT Water Board's License Number N7L1-1759 to Petro-Canada, attached are our February, 2002 results for the effluent treatment system.

Completion operations finished in February. If you have any questions or would like the detailed back-ups please contact me at (403) 296-7770 or e-mail at ttaylor@petro-canada.ca
