**Re: 2010 Mallik Annual Water Usage (licence N7L1-1817)**

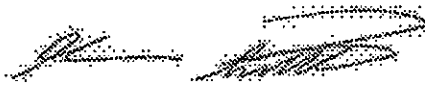

Dear Mr. Harlow:

On behalf of Aurora Research Institute, KAVIK-AXYS Inc. (KAVIK-AXYS) submits this letter to report the annual water usage as per the Water Licence N7L1-1817.

The annual water usage for the 2010 calendar year was 0 m<sup>3</sup>. The program that occurred at the Mallik Lease site was such that all water for activities was entirely of personal usage (ie. Water for drinking) and was brought in daily by project personnel in water bottles.

If you require further clarification regarding the annual water usage at the Mallik Lease site, under Water Licence N7L1-1817, please contact me at your earliest convenience.

Sincerely,

Elaine Little, BSc.
