Pippa Seccombe-Hett
Director
Aurora Research Institute
PO Box 1450, 191 Mackenzie Road
Inuvik, NT X0E 0T0

Dear Ms. Seccombe-Hett:

Re: N7L1-1817 – Aurora Research Institute, Mallik 7-Year Drilling Waste Sump Monitoring Program – Final Summary Report – June 2015

The Inuvialuit Water Board (IWB) accepts the above mentioned report submitted by Aurora Research Institute along with the cover dated July 16, 2015. The submitted report including the IWB response will be placed on the IWB Public Register.

Should you have any questions, please do not hesitate to contact me at 867-678-8609 or email: semmlerm@nwtwb.com or Bijaya Adhikari, Science and Regulatory Coordinator at 867-678-8610 or by email: adhikarib@nwtwb.com.

Sincerely,

Mardy Semmler
Executive Director
