Dear Mr. Bertrand:

Re: N7L1-1836 – Imperial Oil Resources Ltd. – Bar C Remediation Project – Dock Repairs

The IWB acknowledges IOL's notification to complete repairs to the dock at Bar-C in order to address safety concerns and to maintain the integrity of the structure. IOL shall immediately notify the Inspector of the need to complete the repairs to the dock and shall complete the repairs in accordance with the *Waters Act* and *Waters Regulations* and with the recommendations of the Inspector and best management practices so as to restrict the deposition of waste onto waters.

IOL shall within 30 days of completion of the repair of the dock submit to the IWB a report that documents the work completed and summarizes how the Inspector's recommendations were executed.

If you have any questions with regard to this letter you may contact Mardy Semmler at 867-678-8609.

Yours sincerely,

Eddie T. Dillon
